Take my connect, never

Enow what 'tis to love;

For the divining many pass off meerily,

And the thinking you may but rue; But love, alus I necessarily Entails the other two.

THE OLD MAN'S SACRIFICE. "You never loved me, Maria, you never will

"Why should you complain, Mr. Ward? Have you ever asked me for my love? I retotally different grounds, and told me you maither expected nor asked me to love you."

"Ah, Maria, will you never cease your tennited."

"And the long bereavement of his absance. He was bad been reconciled, and soon they would be reunited.

"Entar WALLS." percently is it that leads you always to refer to that time when I thought only of saving my old friend, and to have gained the right to save I in would have married his daughter had she lisen a Gorgon, instead of a pretty child not old enough to love, or to respire love."

"How can you call it perversity, Mr. Ward ?" the young wife garly answered. "Our merriage | git other houses in his body. was a bargain, as you well know, and I see no a rong in referring to the conditions of the conpart, I am persecuted because I am not ready

i repressible longings for a return of my love that I sometimes express? ** A succession of s sy little nods answered him, and he went on : will not again annoy you, then. No, Maria; i my love is so distanteful in its expressions, he 'persecution' shall cause here and now. thood-bye, my darling. One me one kiss-it shall be the last. But, samember, whatever appens, I desire nothing so much as your hap-

She gave the kiss with caroless grace, then turned away beating the air of a time, she was calm rejoinder. as if waiting a reply, then turned and slowly left the room. The outer door clanged, and Mrs. Ward saw him descend the steps with alow movement, and with lingering steps go along the street. Once or twice he paused and looked back, but soon went on and disappear-

ed around the distant corner. That evening the dinner waited long, and at her place alone at the table, a note from her had been suddenly called to leave town, and that the period of his return was indefinite. she had quite forgotten the conversation of the morning, the lady partook her solitary meal father don't keep the article you wont."

without diminution of appetite, and without a thought to mar her enjoyment, beyond a slight loneliness. She had never known anything of his explanation of an absence somewhat ex-traordinary, as Mr. Ward seldom left home, that a keep ear for "secession discourses." to which, as well as to his young wife, he was The affair is amusing : devotedly attached.

became anxious, as day after day passed, bring- relates the following as an amusing incident : ing her no tidings of the absent man. When the Rev. Mr. Lippit, of the Episcopai ever he had, previously, been obliged to leave Church, a native of Rhode Island, and for marhome, each day had brought her messages of by a profesor in the En scopal Theological leve that showed his continual and thoughtful care of her happiness. But now all was a dead blank, and the days lengthened into weeks, till a month had elspaed.

or address, but bearing the post-mark of a carefully over, and pronounced it good, sound neaport town, reached the lawyer. It was Christian decirine, and for hwith ordered Mr. signed Matthew Ward in the well known Lippitt to be discharged. This incident handwriting, and merely contained direction which has just transpired, caused not a lito the place of deposit of certain papers relating to the disposal of his business affairs, with friends. the addition of an intimation that he should

girls stayed their footsteps, and glanced siiently upon that placid face, and the deep,
stark eyes that had that inward gaze which we
so often observe in the old, and those who ave suffered and conquered all, until life is but a memory of the past. Sometimes they mentioned him to their teacher, or their friend Mrs. Ward, but the one had never apoken to him, for, sa she sail, she "loved not one so triste?" and the other, supposing him to be some foreigner, not prody or is any way claims. some foreigner, not needy or is any way claim-ing her aid, dismissed him from her mipd. Still, when she one day accompanied the girls

quite all. Har sympathies were aroused, and leaving the girls with their teacher, she went to his room to inquire if all had been done for him that was required.
Silent and senseless, a mere breathing corpse,

Silent and senseless, a mere breathing corpse, the old man lay upon his bed, with only a hired and Chancery court of the city of Memples, Salander, May the lith, 1861. who gladly availed herself of Mrs. Ward's et- D. H. Damell, Completents. who gladly availed herself of Min. Ward with some of trance to allp away for a goan; with some of her cronics upon the landing.

"Thus, perhaps, my husband died, slone, with only mercenary strangers around him, in a foreign land," thought Mrs. Ward, as she gazed tearfully upon that placid face, that, as a gazed tearfully upon that placid face, that, as a gazed tearfully upon that placid face, that, as a gazed tearfully upon that placid face, that, as a gazed tearfully upon that placid face, that, as a gazed tearfully upon that placid face, that, as a gazed tearfully upon that placid face, that, as a gazed tearfully upon that placid face, that, as a gazed tearfully upon that placid face, that, as a gazed tearfully upon that placid face, that, as a gazed tearfully upon that placid face, that, as a gazed tearfully upon that placid face, that, as a gazed tearfully upon that placid face, that, as a gazed tearfully upon that placid face, that, as a gazed tearfully upon that placid face, that, as a gazed tearfully upon that placid face, that, as a gazed tearfully upon that placid face, that, as a gazed tearfully upon that placid face, that, as a gazed tearfully upon that placid face, that, as a gazed tearfully upon that placid face, that the gazed tearfully upon that placed face, that the gazed face that the gazed that the

is often the case in mortal illness, was gradu-ally schiling into the lines of more youthful days, and which seemed, from the first, strange-ly familiar to her.

"There is certainly a look of Mr. Ward in that fine old face," she whispered, and her heart best faster at the thought. She ap-

proached nearer, gazing anxiously at the face, so like, yet so unlike, in its frame of silvery hair, when her eves fell upon a little worn watch-case that hung suspended from a nail 1. She wasped her hands, and her breath "Ob, God, I thank thee!" burst from ter

And thus, at last, the long sundered wife and Beneath her sweet and patient nursing, the old man's senses at last returned. He spensed this eyes upon objects long unfamiliar to his eyes, for during that pro racted period of insensibility he had been carefully re-conveyed DAILT RATES OF ADVERTISING to the home he had so rashly described years for one square of ten lines or less, one matrice. \$1.00 before. The recognition of that sweet "min- Foristering spirit" which hovered about his couch is not for words to describe. There were a surfue confessions mutual confessions mutual foreignees and a mutual confessions, mutual forgiveness, and a great unspeakable peace and joy, such as no 2 3 2 2 2 ongue can interpret

The old man had secrificed home and wealth, that she whom he loved might be happy. Ha would have ended his exile only with his life, had not that good providence which we some-times call chance, led Maria to his becade. I we me! The drawn is over, and I resign my leve me! The drawn is over, and I resign my self to my fate!" So spoke Matthew Ward, and his wife replied:

Mr. Ward?

Ward? indeed, mourned for him truly and deeply, by Have you ever asked me for my love? I remember well that you urged our marriage on

present, and looked calmity for ward to the fusture, which, in this life, she believed promised
nothing more.

Mrs. Ward employed teachers, who attended
regularly at her house, to impart their different branches of instruction to her young
friends, whose education she thus personally
superintended. But it chanced that one of
these teachers—an elderly French lady—was
arrayanted by an accident that confined her to these teachers—an elderly French ledy—was apevented by an accident that confined her to her from for a time, from attending, and the girls were dispatched to her house for their lessons.

In a room of this house, which was in the older portion of the town mostly inhabited by foreigners, and overlooking the river which ran beneath its windows, an old man, white-haired and infirm, set leatesty gazing out upon the turbid stream, covered with eraft of all kinds, or at the dusty walls and dlury furnitures of his spartment. On his face rested an expression or usual saunces, and all its lines told of sorrow and pain, sublued by the hand of time, or the influences of a higher power.

After passing his door the group of merry girls stayed their foolsteps, and planced significant that persons the reatment of the content of the co
